

LÅMPET

Fickle Pieces of Crap
Since 2021

English

YOU READ THE TICKET

In building this weird forest creature, you take responsibility for care and feeding. Keep in mind at all times that these things are fragile and totally shouldn't be put on a sea can 10 feet in the air for the lols. Assembly can be dangerous. Safety third!

CAUTION

Everything is scary
Life is a health and safety issue
Obey

WARNING

At Halliford I had the appearance of that blackness looks on a Derby Day. My brother turned down towards the iron gates of Hyde Park

Français

ZUT ALORS!

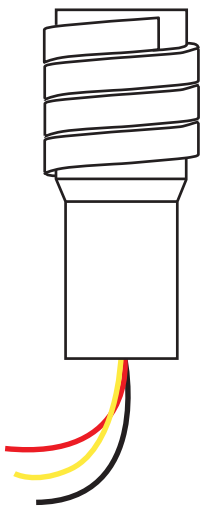

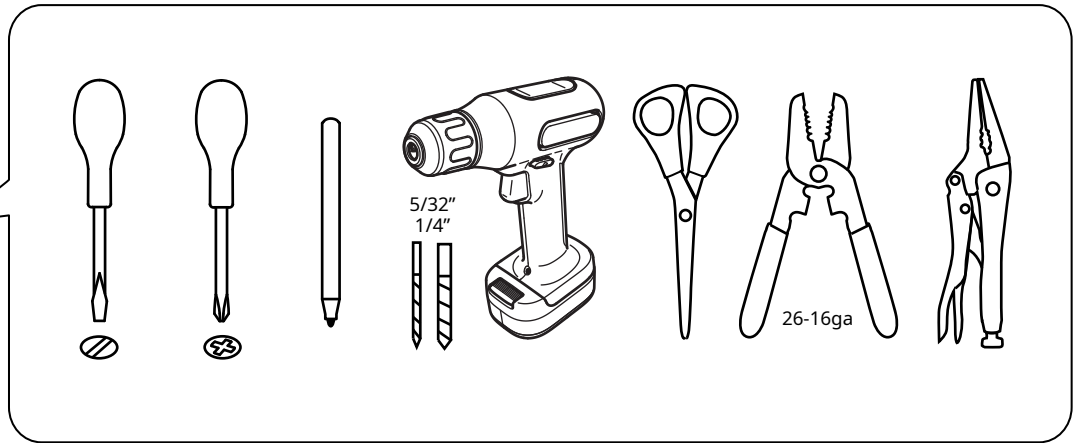

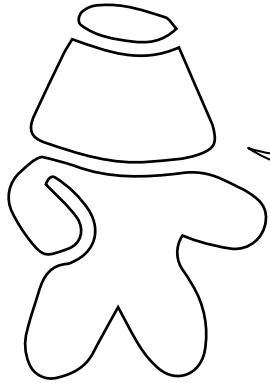

SACRE BLEU!

ACHTUNG!

Ich habe ein Schraubenzieher in mein
Arsch verloren

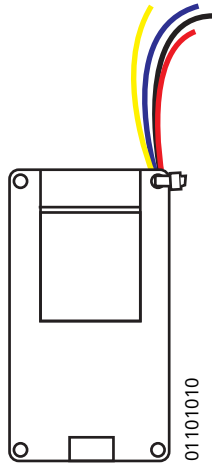

WARNING

Bagel, baguette, Eiffel tower, cigarette
and especially the south of France
